

## Individual Membership Application

**We are asking that all members fill out a new application form for this year in order to keep our records updated. Please fill in the information below.**

TIMA was formed to unite people interested in the interactive industry. Through networking and educational events, TIMA offers great opportunities to keep up with the fast-paced world of interactive and meet fellow pioneers.

**Member Benefits include (but are not limited to):**

**Networking:** Expose your organization and yourself to potential clients and customers and meet other local interactive service providers at TIMA networking activities including seminars and networking socials.

**Educational Seminars:** TIMA offers bi-monthly seminars on a variety of diverse interactive topics. The seminars are presented by highly knowledgeable professionals who are experts in the topics covered. These "Lunch and Learn" format topics include things like Social Marketing & Online Communities, web analytics, Emerging Technologies, email marketing, behavioral targeting, landing page optimization and many more.
